

# AmeriGlide ULTRA Stair Lifts

A/C System

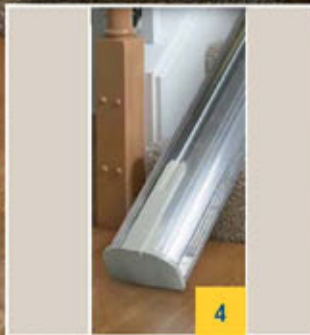

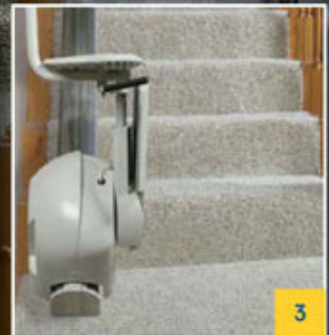

AmeriGlide

## ULTRA FEATURES

Designed for comfort and safety.  
Built to last.

1. **Ultra Lift:** A/C track and drive system for straight-run stair lifts.
2. **Obstruction sensor:** lift detects something in its path and automatically stops so you can remove it.
3. **Compact design:** footrest folds up when unit is not in use.
4. **BOS Track:** easy care, fully enclosed structure with integrated charge stations and mounting covers.
5. **Swivel seat:** lever release allows seat to swivel and lock at 70° and 90° at both levels thus allowing rider to safely exit.
- 6a. **Controls:** constant pressure handheld pendant control with wireless call/sends. Now includes pendant holster attached to seat (see picture on cover).
- 6b. **Sapphire controls:** constant pressure in-arm toggle with wireless call/sends.

**Caution: Stair lift will cause convenience.**

AmeriGlide continues its tradition of offering the most innovative lift products with its ULTRA line of stair lifts. ULTRA stair lifts deliver on our promise to put performance and safety in the reach of our customers at the lowest price possible. Finally you'll have a real choice when it comes to the stair lift you put in your home.

### Flexibility built into the design.

The ULTRA stair lift is the only stair lift on the market that offers a choice of six interchangeable seats. Just choose the seat and you'll get a stair lift that best suits your needs, budget, and lifestyle.

### Easy care and whisper quiet operation.

You'll appreciate the ULTRA's quiet motor, its smooth onset of movement, and fluid finish. The track has a narrow, low profile and is easy to keep clean. The ULTRA is designed for straight staircases.

### Why a stair lift?

The better question is why not a stair lift? The stair lift is a home appliance that adds safety, peace of mind, increased self-reliance, and convenience. It's the easiest way to go up and down stairs and requires no structural changes to your home to install.

**battery operated drive system**
